

K-LOVE radio (91.1 FM in Denver) provides wholesome and positive programming for families in the Denver area and all over the U.S.

K-LOVE is so important to my family that we also support this station financially every month. If K-LOVE were displaced by an LPFM broadcaster providing other programming, thousands of listeners and families would be left without this daily positive influence in their lives. In today's world where we can find negative and anti-family values promoted in almost every media segment, it's definitely in the public's best interest to keep stations such as K-LOVE on the air. Thank you!
